PlasGuard Spray

PlasGuard Spray will protect your acrylic, PVC or plastic displays, creating an anti-static surface which repels dust and oils, and limits scratching.

Spray lightly on the surface and then buff off with a clean soft cloth - our **#PC400 Polishing Cloth** is perfect.

#PG-14g PlasGuard Spray

Pocket size
\$4.80

#PG-315g PlasGuard Spray

\$11.80
